

MY MAGIC MISSION

- Make a paper bridge!
- Find the hat that does not fit!
- Make 8 animals appear!

Paper Bridge

CHALLENGE: Can you make a dollar bill (or piece of paper) strong enough to hold a heavy cup?

STEP 1: Fold the dollar bill back and forth several times like a W or an accordion. The more **CRISP** the fold, the stronger the bridge will be.

STEP 2: Place the bill across two cups or books and see what you can put on it. How much weight will your paper bridge hold?

FUN FACTS!

The word **SPELL** is often used with wizards and magic because there is real power in the ability to read and write **WORDS**.

Crickets hear through their knees.

Your ears work faster than your mouth. (the way it should be)

Draw a line between the hats that match exactly!
Circle the one hat that doesn't fit.

Which step is the highest?
