Have FUN

Magic should be fun
for you and for the
people you share it with.

That's why a true
magician is *Enthusiastic,*
Creative and Giving.

"Whether you think you can
or whether you think you can't,
you're right."

Warp Zone

Push a quarter through a
hole the size of a dime!

1. Trace a dime in the center of a piece of paper.
2. Fold the paper in half and carefully cut along the line.
3. Place the quarter so it is resting in the small hole and hold the paper with both hands as shown.
4. Slowly push your hands together and the coin will magically warp through the small hole.

You can do this!

Put the bird back
in the cage.
Stare at the
dot and
slowly move
it towards
your nose.

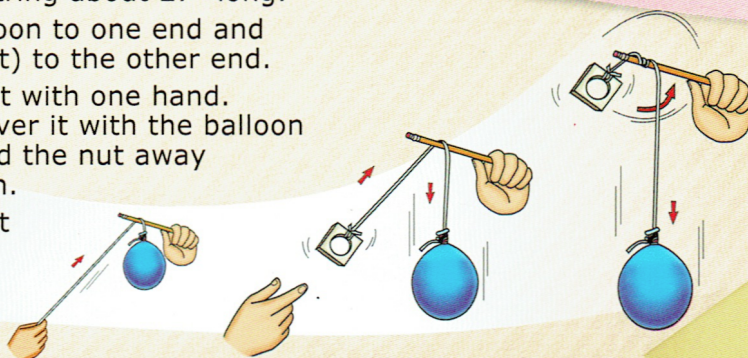

Treat others *Secret*
the way you #2
want to be treated.

Always be Respectful,
Humble and Authentic.
Be your best YOU. Never
think you are better than
others just because you
know magic secrets.

Defy gravity and don't get wet!

1. Cut a piece of string about 27" long.
2. Tie a water balloon to one end and tie a nut (or bolt) to the other end.
3. Hold a pencil out with one hand. Put the string over it with the balloon up high and hold the nut away from the balloon.
4. Let go of the nut and see what happens!
